

Enter Your Ideas  
in the Solve It!  
Contest

We are looking  
for students to  
propose a novel  
idea or  
invention to  
solve the  
problem of  
distracted  
driving!

# How Would You Solve the Problem of Distracted Driving?

Students are asked to propose an invention or safety intervention to deter distracted driving. For Example, students can propose an idea for a safe location to store the phone in the car, or an idea for a safety intervention to promote awareness about distracted driving. Full contest rules are located/posted on

\_\_\_\_\_.

Be sure to include your name and email address and submit your entry by \_\_\_\_\_, in one of three ways :

- The \_\_\_\_\_ site
- Email ideas to: \_\_\_\_\_
- Turn in to \_\_\_\_\_
