

# TEEN DRIVER LICENSING

## Getting a learner's permit in Virginia:

15<sup>1/2</sup>  
years

**Age minimum:**  
15 years and 6 months

Visit the DMV website\* for details and required documentation

Must pass a two-part **knowledge** test and a **vision** test

## Getting a driver's license in Virginia, if under 18:

16<sup>3/4</sup>  
years

**Age minimum:**  
16 years and 3 months

9  
months

Hold permit for at least 9 months

Pass an approved driver's education course

Complete behind-the-wheel training

45  
hours

Complete 45 hours driving with parent supervision including 15 hours at night

Some counties require a joint parent/teen traffic safety class \*\*

Most localities require a licensing ceremony. Check with your city/county for details \*\*\*

## Driver restrictions until age 18:

Curfew – may not operate motor vehicle between midnight and 4 AM

Passenger – only one passenger under the age of 21

*Limit does not apply to relatives*

## Things to remember when behind the wheel:

**Seat Belts** are required by all occupants. Passengers under 18 must use a seat belt or be in an appropriate child seat.

**Texting or using a cell phone** is prohibited while the vehicle is in operation.

Zero-tolerance for underage **substance use or open containers**. This applies to anyone in the vehicle.
